

ILLINOIS HIGH SCHOOL EQUIVALENCY RECORDS

Illinois High School Equivalency (GED®, HiSET®, and formerly TASC™) records are located at the Regional Offices of Education* (ROE) for each county, which issue Verifications, Transcripts and Certificates. To request information on records, you must first determine the correct ROE to contact.

- If the test was completed prior to January 1, 2014 (and was not taken on computer), contact the ROE* for **the county where the test was taken**.
- If the test was completed after December 31, 2013 (or was taken on computer in 2012/2013), contact the ROE* for the **county of residence** at the time of test completion.
- If your county is *Cook County* (including Chicago), or you tested through the Illinois Department of Corrections after December 31, 2013, contact the Cook County High School Equivalency Records Office.

**Note: The Cook County HSE Records Office acts as the custodian of record for all Cook County Records and Illinois Department of Corrections tests taken after December 31, 2013.*

Once you know the appropriate county, you may select it from the list below to obtain contact information for that office.
