Chicago									X		X		
Danville							X		X				
DuPage											X		
Elgin									X		X		
Harper													
Heartland		X									X		
Highland	X						X	X					
Illinois Central						X							
Illinois Eastern	X							X					
Illinois Valley							X						Each team member was assigned related cluster of the IWAS design components and were asked to complete a rubric for each page. Within the rubric, the reviewer summarized the findings and scored the compliance as (1) meeting the component, (2) not meeting the component, or (3) close to meeting the component.
Joliet	X	X										X	
Kankakee	X			X	X			X					
Kaskaskia				X									
Kishwaukee	X	X											Areas for further improvement that were identified included navigation bars, section headings, form controls, device independence, content positioning, and form controls.
