Purpose of Supplemental Guidance PY 17 Reconciliation

- Provide guidance for reconciliation of PY 17 shared costs.
 - Reconciliation must occur at least semi-annually.
 - Reconciliation of budgeted to actual shared costs is based on actual costs incurred compared with budgeted amounts of each line item.
 - The LWIB is responsible for ensuring reconciliation of budgeted to actual shared costs occurs at least semi-annually.
 - The local board designates the individual or entity that will actually lead and perform the reconciliation.
 - An amendment to the MOU is required in some situations:
 - Increase by 15% of the budgeted amount
 - Increase by more than 10% of the total budget

Purpose of Supplemental Guidance for PY18

1. Clarify timelines and requirements specific to PY 18 budget negotiations.
2. Affirm affiliate and specialized centers are subject to cost sharing requirements in PY 18.
3. Make technical changes.
4. Provide a new “outcome report” for annual budget and a new budget spreadsheet template.

Infrastructure Requirements for Affiliate and Specialized Centers

- **New:** Infrastructure cost sharing requirements will apply to affiliate and specialized centers in PY 18, starting July 1, 2018.
 - This includes requirements for periodic reconciliation of budgeted to actual costs.
- State policy defining affiliate centers is under development.

In the meantime, the Supplemental Guidance says:

“Infrastructure costs must be shared proportionately among all required partners agreeing to provide services in any service location that a local workforce board designates as an affiliate or specialized center.”

Review of MOU Template Changes

1. Affirm in the narrative that each required partner meets the minimum FTE commitment of .25 FTEs in each service location.
2. Describe in the narrative the purpose and source of any non-cash contributions, third-party in-kind contributions and contributions toward the one-stop operator to align with the one-stop operating budget.
3. Affirm in the narrative that the local workforce board will ensure that a designated entity will reconcile budgeted to actual shared costs in the one-stop operating budget at least semi-annually.
4. Complete an “Outcome Report for Annual Budget Negotiations for PY18,” and submit the completed form with a draft one-stop operating budget.
5. “Parties to the MOU” is revised to affirm that each required partner should list the entity (i.e., partner agency) administering the program.
6. Section 4 “MOU Development” is revised to include a statement that all required partners agree to the content of the MOU and the annual budget.

Questions?

Direct Linkage

Direct Linkage as defined in State and Federal Guidance

20 CFR Part 678.305

(c) Customers must have *access* to programs, services and activities during regular business days at a Comprehensive One-Stop Center.

(d) “Access” to each partner program and its services means:

- Having a program staff member physically present at the one-stop center;
- Having a staff member from a different partner program physically present at the one-stop center appropriately trained to provide information to customers about the programs, services, and activities available through partner programs; or
- ***Making available a direct linkage through technology to program staff who can provide meaningful information or services.***

What is Direct Linkage?

- (i) A “direct linkage” means providing direct connection at the one-stop center, within a reasonable time, by phone or through a real-time Web-based communication to a program staff member who can provide program information or services to the customer.

- (ii) A “direct linkage” cannot exclusively be providing a phone number or computer Web site or providing information, pamphlets, or materials.

For whom providing services via direct linkage is a formal part of his/her job duties

The specific method(s) used to provide services through technology via a direct linkage must be accessible to individuals with disabilities.

Ensuring Federal and State Compliance Moving Forward

- State-level partners are currently checking in with local level staff to ensure staff understands the basic tenets of direct linkage.
- Developing simple protocol for State level to check-in at the local level periodically
- Checklist being disseminated to local partner staff from the State level
- Expanding upon guidance in MOU Template in next Governor's Guidelines revision or when Supplemental Guidance is next issued

Questions?

One-Stop Certification

Certification of One-Stop Centers Policy

- WIOA requires State workforce development boards, in consultation with chief local elected officials and local workforce development boards, to establish objective criteria and procedures to certify local comprehensive one-stop centers.
- Policy issued in Illinois on January 12, 2018.
- For PY16 only applicable to centers requesting certification as a comprehensive one-stop center (although affiliate and specialized centers could opt to be a part of the certification process)
- Certifications approved by July 1, 2017 are valid through June 30, 2020, unless changes in Federal or State policy require earlier recertification
