Jerry Weber, President
College of Lake County
19351 W. Washington St.
Grayslake, IL 60030

President Weber,

As a pediatric school nurse, I fully endorse and support the College of Lake County's initiative to offer a Bachelors degree in nursing (BSN). CLC will be a critical part in meeting the demand for nurses to get their BSN's as the future IOM requirement is moving toward associate degree nurses to have their Bachelors degree.

Nurses with their associate degrees can continue to work at their current jobs, while working on their baccalaureate. The convenience and attraction of lower cost community college tuition is a huge incentive to further their education.

I strongly support the efforts of Illinois Community Colleges and the College of Lake County in the initiative to offer the BSN degree.

Sincerely,

Lori Isaacs, RN
District nurse/health coordinator
Grayslake School District 46
