**Policy Guidelines for Restricted Grant Expenditures and Reporting**

*Effective July 1, 2010*

**Career and Technical Education Program Improvement Grant**

**Purpose of Grant.** The Career and Technical Education Program Improvement Grant recognizes that keeping career and technical programs current and reflective of the highest quality practices in the workplace is necessary to prepare students to be successful in their chosen careers and to provide employers with the well-trained workforce they require. The grant funds are dedicated to enhancing instruction and academic support activities to strengthen and improve career and technical programs and services.

**Allowable Expenditures**

*Personnel* – salaries and benefits are allowed for faculty in career and technical programs. This can also include department chairpersons, administrators, and support staff for whom career and technical instruction is an important role.

*Instructional Equipment* – replacement or addition of instructional equipment to improve the program quality of ICCB approved career and technical programs.

*Materials and Supplies* – materials and supplies that are necessary to support career and technical instruction.

*Curriculum Development* – upgrading curriculum to reflect new application and technologies, integrate academic and technical content, develop work-based learning opportunities, or otherwise enhance program quality.

*Staff Development* – staff development opportunities for college faculty and staff that provide and/or support career and technical instruction, including projects that seek to form partnerships with business and industry or with secondary school systems, and opportunities to upgrade technical competencies.

*Other expenditures* if approved in writing by the ICCB staff.

**Expenditure Limitations** – None

**Grant Administrative Standards**
