INTRODUCTION

The enclosed materials contain fiscal year 2018 (July 1, 2017 through June 30, 2018) responses from Illinois’ public Community College System to the African American Employment Plan Survey (Public Act 096-1341). The legislation requests that each community college provide an annual assessment of strategies and progress in the hiring and promotion of African American persons at supervisory, technical, professional and managerial levels.

Fiscal year 2018 is the ninth year that community colleges, public universities, and state agencies have been asked to furnish African American Employment Plans. The Illinois Community College System consists of 48 colleges that blanket the state and provide equal education, training, and employment opportunities to all individuals. A map of the System appears on the next page. College officials recognize that a diverse faculty, staff, and student body enriches and improves the educational environment for everyone. These reporting requirements allow colleges to provide additional information about their efforts to hire and promote individuals who are African American. The report compliments activities and initiatives that are described in the annual Illinois Community College System Underrepresented Groups Report which addresses legislative reporting requirements in Board of Higher Education Act (Sec. 8. and Sec. 9.16). Underrepresented groups reporting aims to increase participation and achievement among students who are academically or financially at risk, including minorities, women, and individuals with disabilities, as well as first-generation students and low-income students. Other complementary initiatives are the Asian American Employment Plan Survey (Public Act 097-0856), the Hispanic Employment Plan Survey, and the Bilingual Needs and Bilingual Pay Survey (Public Act 096-1286). These surveys provide an annual assessment of initiatives and progress in hiring and promoting Asian Americans and Hispanics at local community colleges. Recent editions of the Underrepresented Groups Report and the African American, Asian American, and Hispanic Employment Plan Reports are available on the ICCB website.

The African American Employment Plan Survey Report begins with demographic information about the state of Illinois, and annual community college credit program enrollments, completions, and staffing. Then individual college responses to standardized surveys addressing components of the legislation are provided. These surveys were adapted from forms developed by the State of Illinois’ Department of Central Management Services. The Illinois Board of Higher Education collects similar information for the public four-year universities.
DEMOGRAPHIC INFORMATION

This section of the report provides an overview of the race/ethnicity composition of the State of Illinois’ population, students enrolled in community college credit programs, graduates, and college faculty and staff. Illinois census data are provided to offer an external reference point for reviewing Illinois Community College System information. Community college demographic data on credit students and completers are gathered from the colleges through the Annual Enrollment and Completion submissions (A1 and A2). Analyses are included about the race/ethnicity distribution of community college credit students for selected broad program areas (PCS). Staffing data referenced in the following pages are from the Annual Faculty, Staff, and Salary submission (C3).

State of Illinois’ Race/Ethnicity Distribution

State census data show that Illinois’ population was 12.80 million in 2017 compared to 12.83 million in 2010, and 12.42 million in 2000 (U.S. Census 2000 Illinois, U.S. Census 2010, enter Illinois, and 2018 Index of Need Table 1). These detailed Illinois census data indicate that the state’s population grew 3.1 percent between 2000 and 2017. The state population, however, decreased 0.2 percent between 2010 and 2017. Illinois’ 2017 census estimate shows that White/Caucasian remained the largest race/ethnicity group. However, minority populations were responsible for Illinois’ overall population growth from 2000 to 2017, as the percent of Caucasians decreased from 73.5 percent to 71.2 percent of the population (U.S. Census 2000 Illinois and 2018 Index of Need Table 1).

The race/ethnicity data collection methodology changed for the 2000 census and continued in the 2017 census data. The 2017 census data showed that 2.0 percent of all Illinoisans identified themselves as two or more races. These individuals are included in the “Some Other Race***” column in Table 1. The question on Hispanic ethnicity was asked independently from an individual’s race beginning in 2000 and is reflected in the data in the table. These duplicated Hispanic population counts show substantial growth, from 1,530,262 in 2000 to 2,209,323 in 2017 (U.S. Census 2000 Illinois and 2018 Index of Need Table 1).

Illinois’ largest minority group in 2000 was African American and in 2017 was Hispanic. Compared to 2000, African American counts in 2017 decreased from 15.1 percent to 14.6 percent, whereas Asian American counts increased from 3.4 percent to 5.8 percent, Native American from 0.2 percent to 0.6 percent, and Hispanic from 12.3 percent to 17.3 percent.

Race/Ethnicity Distribution in Community College System Credit Programs

Overall in fiscal year 2018, minority students accounted for 45.4 percent of the individuals enrolled in credit coursework at Illinois community colleges whose ethnicity was known. Race/ethnicity classifications are aligned with U.S. Department of Education collection and reporting standards. Fiscal year 2018 data show that minority representation was similar to the prior year (fiscal year 2017 = 44.1 percent). Fiscal year 2018 results are above the five-year average (43.0 percent). Students identifying themselves as Hispanic students—116,866 in fiscal year 2018—accounted for the largest number of minority enrollments this year. African American students—67,101 in fiscal year 2018—constitute the second largest minority group in the latest data. Asian American students—24,590 in fiscal year 2018—constitute the third largest minority group enrolled in the Illinois Community College System. The fiscal year 2018 proportionate representation by Hispanic students was higher by about one percentage point in comparison to the prior year (23.4 percent in fiscal year 2018 versus 22.3 percent in fiscal year 2017). While African American students accounted for the largest number of minority enrollments in fiscal year 2012 for the first time since fiscal year 1999, the fiscal year 2018 African American student proportional representation was slightly lower in comparison to the prior year (13.5 percent in fiscal year 2018 versus 13.6 percent in fiscal year 2017). Over the longer term—over the past five years—a decrease in the Illinois Community College System’s minority enrollments was noted among students identifying themselves as Pacific Islander (-72.0 percent), Native American (-60.8 percent), African American (-35.2 percent), and Asian American (-15.9 percent), while an increase was noted among students identifying themselves as Nonresident Alien (154.9 percent) and Hispanic (0.5 percent).

Student race/ethnicity representation varies across broad program areas (PCS). Table 2 contains information about the race/ethnicity distribution of Adult Education [Adult Basic Education (ABE) and Adult Secondary Education (ASE)] and English-as-a-Second Language (ESL) enrollments. Minority students accounted for nearly three-fourths (72.9 percent) of the individuals enrolled in community college Adult Education coursework. In fiscal year 2018, Hispanic students accounted for over forty percent of Adult Education enrollments and African American students for over one-fourth of those enrollments (40.2 percent and 26.6 percent, respectively). Additionally, minority students accounted for about eight out of every ten (80.3...
percent) individuals enrolled in community college ESL coursework during fiscal year 2018. Hispanic students accounted for nearly two-thirds (62.4 percent) of the community college ESL students, followed by Asian American students (10.7 percent) and African American students (5.4 percent).

Table 3 provides the distribution of minority students enrolled in Transfer and Career and Technical Education (CTE) programs. During fiscal year 2018, minorities comprised about four out of every ten (43.7 percent) Transfer enrollees. An examination of each minority race/ethnicity group’s representation across the Transfer program area indicates that Hispanic students accounted for the largest minority group enrollments (21.6 percent), followed by African American students (12.6 percent), Asian American students (5.2 percent), students of Two or More Races (3.0 percent), Nonresident Alien students (1.0 percent), Native American students (0.2 percent), and Pacific Islander students (0.1 percent). Table 3 also shows that about one-third of students enrolled in CTE programs were members of a minority group (35.0 percent). Hispanic students also had the highest representation among minorities in CTE programs and accounted for 16.5 percent of the population. African American students had the second largest CTE program enrollment (11.8 percent), followed by Asian American students (3.9 percent), students of Two or More Races (2.0 percent), Nonresident Alien students (0.6 percent), Native American students (0.3 percent), and Pacific Islander students (0.1 percent).

SOURCE OF DATA: ICCB Centralized Data System—Annual Enrollment and Completion (A1) Data

The following section of the report supplies information about the race/ethnicity characteristics of students who graduated in fiscal year 2018. It provides a point-in-time or cross-cutting count...
of the number of degrees and certificates awarded to minority students within the Illinois Community College System during fiscal year 2018.

Nearly twice as many CTE degrees and certificates were completed than Transfer degrees by minority students during fiscal year 2018. Across all minority groups in 2018, CTE program graduates far outnumbered Transfer program graduates. Table 4 shows that during fiscal year 2018, nearly twice as many CTE degrees and certificates (N = 14,216) were completed than Transfer degrees (N = 8,165) by minority students. Minority students accounted for 34.7 percent of all CTE graduates, compared to 39.5 percent of Transfer graduates. Hispanic students accounted for the largest minority group for completions in CTE programs (16.9 percent), followed by African American students (11.3 percent), Asian American students (3.7 percent), students of Two or More Races (1.8 percent), Nonresident Alien students (0.6 percent), Native American students (0.3 percent), and Pacific Islander students (0.1 percent). The fiscal year 2018 proportional representation of the African American CTE program graduates (11.3 percent) was lower by 0.7 percentage points from fiscal year 2017 (12.0 percent). Hispanic students accounted for the largest group of Transfer minority graduates (21.8 percent), followed by African American students (9.7 percent), Asian American students (4.3 percent), students of Two or More Races (2.5 percent), Nonresident Alien students (0.9 percent), Native American students (0.2 percent), and Pacific Islander students (0.1 percent). The fiscal year 2018 proportional representation of the African American Transfer graduates (9.7 percent) was lower by 0.6 percentage points from the prior year (10.3 percent).

Table 5 shows that in fiscal year 2018, minority faculty and staff accounted for 19.4 percent of tenured faculty/officials and managers (a 6.6 percent increase from fiscal year 2017), 17.1 percent of non-tenured faculty (a 6.0 percent increase from fiscal year 2017), 32.1 percent of professional staff/protective service workers (a 16.6 percent increase from fiscal year 2017), 32.3 percent of office and clerical/paraprofessionals (a 6.4 percent increase from fiscal year 2017), and 41.7 percent of service maintenance employees (a 4.1 percent decrease from fiscal year 2017).

In fiscal year 2018, African American faculty and staff accounted for 9.8 percent of tenured faculty/officials and managers, 7.7 percent of non-tenured faculty, 15.3 percent of professional staff/protective service workers, 16.2 percent of office and clerical/paraprofessionals, and 24.1 percent of service maintenance employees. **Figure 1** shows the African American employee counts in comparison to the White employee counts at Illinois Community Colleges in fiscal year 2018.

Faculty, staff, administrators, and board members at each community college accept the responsibility of meeting the needs and demands of the area community and their constituents. To thrive in the competitive higher education marketplace, community colleges have adopted a strong customer and community focus. Hence, the colleges continue striving to reflect the communities in which they are located.

**SOURCE OF DATA:** ICCB Centralized Data System—Annual Faculty, Staff, and Salary (C3) Data and the Hispanic Employment Plan survey.

An important component of the African American Employment Plan Report is identifying the Community College District Utilization Rate for African American employees. It was calculated as each college’s percentage of overall African American district population (16 years and older) minus the percentage of African American faculty and staff [tenured faculty/officials and managers (including executive and administrative positions); non-tenured faculty (including adjunct faculty); professional staff/protective service workers; office and clerical/paraprofessionals; and service maintenance employment classifications] at each community college. A negative utilization rate demonstrates underrepresentation of African Americans in the workforce. Please see Table 6, Table 7, and Table 8 for detailed information.

The following pages contain the responses from the Illinois Community College System to the African American Employment Plan Survey (Public Act 096-1341). College responses appear in alphabetical order by college name. Information was collected on African American employees, funded positions, and African American employment initiatives at Illinois community colleges.
African American Employment Plan Survey (SB 3531/P.A. 96-1341)

Fiscal Year 2018

Public Act 96-1341 requires community colleges (and public universities) to annually report to the legislature the progress on efforts to hire and promote African American faculty and staff at state colleges and universities. This report is required as part of the larger State African American Employment Plan to improve the delivery of state services to African Americans by increasing the number of African American state employees serving in supervisory, technical, professional, and managerial positions.

No

Provide the FY 2018 budget allocation(s) for each of these recruitment initiatives for African American faculty, administrators, or any level job category. (NOTE: THIS ITEM ONLY REQUIRES A RESPONSE IF THE PREVIOUS QUESTION RECEIVED A "YES" RESPONSE.)

Carl Sandburg College does not have a designated budgetary line item for African American Employment Initiatives. All hiring situations are administered using our hiring process. The College treats all applicants with fairness and equity.

This section of the survey will list all activities your institution has undertaken that would help in the implementation of the State of Illinois African American Employment Plan for Higher Education.

What steps has your institution undertaken to ensure that Human Resource staff, responsible for hiring, interviewing, recruitment and Equal Employment Opportunity (EEO) are complying with legislative mandates for the African American Employment Plan for Higher Education?
The objective of increased employment diversity at Carl Sandburg College is strategic, not compliance-driven. The College believes that the educational experience is enriched through diversity in its people, curricula, and environment. The Diversity Statement affirms this, stating that "Carl Sandburg is a community of lifelong learners that welcomes, values, and respects diversity. The College fosters a climate of mutual respect that celebrates diversity by embracing our similarities as well as our differences. We demonstrate this commitment by serving students, faculty, staff, and community members with fairness and equality." Our objectives are to (1) shape an environment that recognizes the need for diversity, (2) create opportunities for all within the College community to interact with understanding, tolerance, and respect for others, and (3) promote sensitivity to individual needs and aspirations of those throughout the College Community. Fulfilling these objectives has led to the implementation of annual diversity training for all employees, required diversity training prior to interviews for Human Resources staff and interview committee members, and an on-campus diversity seminar.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

Carl Sandburg College advertises to recruit diverse applicants for new and vacant positions. The College routinely conducts reviews of all employment processes for compliance and improvement opportunities. The college continues to use employment software and advertises job opportunities on Diversejobs.net. The College's Strategic Plan speaks specifically to promoting an inclusive environment. In order to connect with a more diverse population the college's Human Resources staff are attending academic and private sector recruitment fairs.

Does your institution implement employment incentives to attract African American employees such as any of the following (please select all that apply):
- All potential applicants, interviewees, and employees are treated with equality. All new faculty are included in a mentorship program.

Please provide a dot point description of the (self-development training) initiative. (NOTE: THIS ITEM ONLY REQUIRES A RESPONSE IF THE PREVIOUS ITEM WAS MARKED "YES".)

Sandburg offers professional development funds for training, tuition support, conferences, association and professional memberships. Opportunities are offered to all employees in accordance with policy 2.10 on Anti-Discrimination.

Are there other initiatives in place to help provide for promotion of African American employees to report for your institution?
- Yes

Please provide additional information regarding related initiatives to help provide for promotion of African American employees. (NOTE: THIS ITEM ONLY REQUIRES A RESPONSE IF THE PREVIOUS ITEM WAS MARKED "YES".)

Sandburg offers professional development funds for training, tuition support, conferences, association and professional memberships. Opportunities are offered to all employees in accordance with policy 2.10 on Anti-Discrimination.

What steps has your institution undertaken to ensure that Human Resource staff, responsible for hiring, interviewing, recruitment and Equal Employment Opportunity (EEO) are complying with legislative mandates for the African American Employment Plan for Higher Education?

The College of DuPage requires Diversity Training for all search committee members, supervisors and managers. Additionally, the College’s Board of Trustees requires the Human Resources department monitor the diversity of the candidate pool on any external search and at the interview stage. Based on the results of each external search, we do additional advertising specifically focused on the minority communities, if necessary.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.
The College participates in Diversity Job fairs and targets diversity job seekers through several methods. One method is increasing posting at diversity oriented specialty web sites for example, minorityfinancejobs.com, blacknurising.com, BlacksInHigherEd.com, or JBHE.com (Journal of Blacks in Higher Ed). In addition, we post every position on diversityjobs.com which reaches multiple diversity oriented web sites.

This section of the survey will list specific initiatives and focus on what your institution has undertaken to further comply with the State of Illinois African American Employment Plan.

Please describe any strategies that your institution is developing to meet the increasing numbers and need of African American students and public that may want access to your institution.

a. Collaborated with Admissions and Outreach on Recruitment Initiatives in district 502: Guest speaker at area high schools promoting student success through COD and encouraging African American students to pursue post-secondary education at College of DuPage.

b. Increased the number of African American scholarship and fellowship applicants. This includes an increase in African American student applicants for the Martin Luther King scholarship awarded at the annual MLK breakfast in January. This year both recipients of the scholarship were our African American students.
c. Conducted the College of DuPage Diversity and Inclusion Celebration and Awareness Series. This includes three sessions for faculty, staff, and students that focus on promoting student success through the engagement of inclusive excellence and courageous conversations.

d. Over the past three years, engaged the college in a diversity lecture presentations that have included, Dr. Damon Williams (2016), Dr. Eddie Moore Jr. (2017) and Keith Barnes (2018).

e. Presented on learning through diversity in collaboration with the Accelerated Learning Program (ALP) to promote student success for all students. Grew the series from a 3 lecture format to a 9 lecture format, were an Inclusive Excellence model is part of the ALP curriculum in 2017. (Recognized with letter of appreciation from ALP department).

f. Collaborated with Marketing to further promote inclusive excellence messaging, through materials and audio/video mediums that include a culturally relevant diverse representation of students.

g. Served as advisor for the African American Student Alliance (now Black Student Alliance) since 2014. This club was non-existent in 2014 and now has active membership upwards of 30 plus members.

H. Continued our growth and collaboration with community organization:

1. Continued participation in three (3) college and scholarship fairs hosted by African American organizations. Including the 100 Black Men College Fair which attracts over 5,000 African American high school students annually. 100 Black Men, who has more than 10,000 members and 166 chapters nationally and works with over 100,000 African American high school students yearly, sending many to colleges worldwide.
2. CSDI collaborated with the Delta Sigma Theta organization and was guest host for their 4th Annual EMBODI (Empowering Males to Build Opportunities for Developing Independence) conference that targets African American male high school students. We saw up to 200 students at this event and promoted College of DuPage.
3. Enhanced relationships with DuPage County National Association for the Advancement of Colored People (NAACP). Working to increase partnerships with the NAACP’s ACT-SO and Jr. ACT-SO programs.

i. Organized month-long activities and events in celebration of Black History Month. This culturally relevant programing engages all students, faculty, and staff and is open to the community annually.

j. Lead Manager for the College’s annual Black Student Leadership Conference. In conjunction with 20 high schools, COD hosts up to 350 African American high school students in a daylong conference geared toward promoting college and career readiness.

k. In collaboration with the Latino Outreach Center, launched an Inclusive Excellence Peer Mentoring Program to engage continuing students with 20 credit hours or more to mentor first-time incoming students.

l. Developed a “Crucial Conversation Forum” for students to interact, share, and learn through reflective Civic Reflections. This fosters environment for mentoring. Started out as 10 students and has developed to upwards of 15 active participants.

m. In collaboration with College’s Multi-Media department created “Positive Voices” video talk show for students to discuss the significance of inclusiveness, equity, and access in institutions of higher learning. Slow initiative that has potential to grow.

Does your institution provide budget allocations specifically for the recruitment of African American faculty, administrators, or any level job category?

Yes

Provide the FY 2018 budget allocation(s) for each of these recruitment initiatives for African American faculty, administrators, or any level job category. (NOTE: THIS ITEM ONLY REQUIRES A RESPONSE IF THE PREVIOUS QUESTION RECEIVED A "YES" RESPONSE.)

Twenty-five to thirty percent of the recruiting budget is spent on diverse recruiting hiring initiatives. To promote diversity a widespread strategy is developed on places and sources to recruit a broad and diverse pool of candidates.

This section of the survey will list all activities your institution has undertaken that would help in the implementation of the State of Illinois African American Employment Plan for Higher Education.

What steps has your institution undertaken to ensure that Human Resource staff, responsible for hiring, interviewing, recruitment and Equal Employment Opportunity (EEO) are complying with legislative mandates for the African American Employment Plan for Higher Education?

The College has established policies and procedures in place to ensure the intuition addresses equal employment
opportunities and non-discrimination. The College hiring process requires training for individuals who serve on hiring committees about conducting a fair and legal hiring process. This includes training on uniform guidelines on employee selection, hidden bias and overall legal compliance in the hiring process. The College ensures that it advertises in diverse sources for attracting qualified African American candidates. Training and regular review of all hiring practices to ensure compliance with legislative mandates effecting recruitment, employment, and promotion of highly qualified African Americans.

Recruiters in Human Resource tracks applicant pools at each stage of the process by collecting and analyzing applicant diversity statistics to ensure that the applicant pool is diverse and diverse applicants are considered. This process ensures that the pool is truly diverse and allows an opportunity for all those with required skill sets to have an opportunity for advancement within our staffing system.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

The College will maintain strong social media and community ties to recruit African American employees and continue to recruit and employ diverse employees that best represent the needs of our student population and utilize a wide variety of recruitment platforms to create a diverse candidate pool. Continue to ensure that employees who serve on hiring committees receive search committee training regarding diversity considerations in the hiring process.

Identify African American specific targeted advertising venues and social media and participate in diversity specific conferences. If there are instances where applicant pools are not diverse the search may be extended. Continue to develop training on cultural competency, diversity issues, legal compliance and hidden bias. Ensure that the College’s website and social media accounts are welcoming and encouraging to attract diverse staff. Encourage hiring managers involved in the recruiting process to vigorously engage social media and other outreach and networking opportunities to attract and refer African American applicants.

Does your institution implement employment incentives to attract African American employees such as any of the following (please select all that apply):

- Internships
- Community Linkages
- Mentorship of a new African American Faculty
- Staff Employment Recruitment Plan

How is your institution ensuring that all appropriate staff is complying with the mandatory Hiring and Promotion Monitor requirements? Does your institution conduct internal studies or have surveys for monitoring the recruitment of African American employees, and have committees that monitor employment or departure of employees from the institution?

All recruitment policies take into consideration an outreach effort that deliberately focuses on increasing and maintaining the diversity support within the organization. HR monitors' candidate pools for diversity and ensures EEO guidelines are followed. Search committee training prior to the start of the hiring process to ensure compliance. Assessment of pools to ensure that the pools are adequately diverse and that minority applicants are considered.

This section of the survey will list specific initiatives and focus on what your institution has undertaken to further comply with the State of Illinois African American Employment Plan.

Please describe any strategies that your institution is developing to meet the increasing numbers and need of African American students and public that may want access to your institution.

CLC's African American Outreach and Success Committee completed its Fall 2018 pilot of the African American student Academic, Purpose, Preparation, and Success (APPS) Blueprint Scholars retention and success program, which holds weekly two-hours sessions to provide intrusive supports and advising, professional and peer mentors, financial aid assistance, campus engagement opportunities, college visits, and more. The program continues into the current semester with a math workshop component for those students enrolled in math. The Committee continues to offer Students With a Goal (SWAG) Meet and Greet for returning students to acquaint them with CLC and connecting with African American faculty staff who can mentor them on their academic and career pursuits. The program Backpack & Beyond works with black churches in Lake County to provide them information on what is offered at CLC for potential traditional and nontraditional students. Once individuals complete an interest card, we offer a follow-up orientation to help them learn about being a student at CLC.

The Committee partners with TRiO Educational Talent Search to visit high schools, speak to students who are registered for CLC, assist them with completing their to-do list and answer any questions they may have pertaining to CLC. The Committee provides a recognition celebration in honor of the students who have graduated from CLC. The Multicultural Student Center also supports student groups such as the Black Student Union, Men of Vision (MOV) and Sister 2 Sister (S2S) are groups that are open to students of color and offer student engagement, social opportunities, and support from their peers and staff and faculty advisors. CLC received a CTE grant of $50,000 to expand its Bridge to Success (B2S) summer program to include not only teaching web design but career exploration in culinary arts, horticulture and health and wellness promotion. The program is co-sponsored by CLC's student organizations MOV and S2S, which are chapters of the national Student African American Brotherhood and Student African American Sisterhood organizations. B2S targets, potential, incoming and current students of color. MOV and S2S also co-sponsor the annual Young Leaders Summit hosting middle school, high school and college students for a day of leadership engagement targeting students of color, and visit middle schools to provide "big brother" and "big sister" mentorship to their students. CLC sponsors an annual Salute to Gospel event that targets the African American population. We worked with the Advisory Committees to further engage the community.

A significant portion of the college’s advertising budget is used to advertise with mediums that reach diverse populations

This section of the survey will list all activities your institution has undertaken that would help in the implementation of the State of Illinois African American Employment Plan for Higher Education.

What steps has your institution undertaken to ensure that Human Resource staff, responsible for hiring, interviewing, recruitment and Equal Employment Opportunity (EEO) are complying with legislative mandates for the African American Employment Plan for Higher Education?

ECC’s commitment to diversity, equity, and inclusion is ingrained in the college’s strategic plan as well as the
college’s EEO/AA policies and procedures. ECC is also one of a few Illinois community colleges that participate in the national Achieving the Dream initiative. ECC has developed a college wide Student Success Infrastructure model that connects all aspects of the college to student success. The committee/task force members assist the president in defining, planning for, and implementing infrastructures to build and sustain cultural competence in the areas of diversity, equity, and inclusion. The CMCO is responsible for developing and executing community relations strategies that effectively support and achieve the vision, mission, goals and objectives of the college. Members of the Alliance for College Readiness work in faculty and staff teams to establish a common understanding of college and career readiness, to better align curriculum and instruction and to foster effective communication systems between students, educators, and parents. ECC employees maintain memberships to minority professional associations and societies. The ECC Human Resources Department tracks demographic information of applicants who submit an ECC application for employment. Applicants respond to questions related to multiculturalism during the application and interview process. Anyone participating in the hiring process is required to complete cultural competency training. The college also offers a series of in-service professional development opportunities related to diversity, inclusion, and equity.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

Enhance recruitment activities utilized to refer candidates to open vacancies. Increase ECC participation in employment/career fairs and networking events. Continue to maintain and develop external relationships with the community in an effort to foster our community outreach efforts. Begin to track applicants that indicate non-English speaking skills when applying for employment opportunities. Continue to provide assistance and support to candidates in more than one language. Provide hard copy and electronic documents related to the hiring process in multiple languages.

6,793 for recruiting African American faculty and administrators. Ads were posted on AABHE, HBCU Connect and Association of Black Journalists. Another $9,000 was used for recruiting diverse populations, including African Americans.

This section of the survey will list all activities your institution has undertaken that would help in the implementation of the State of Illinois African American Employment Plan for Higher Education.

What steps has your institution undertaken to ensure that Human Resource staff, responsible for hiring, interviewing, recruitment and Equal Employment Opportunity (EEO) are complying with legislative mandates for the African American Employment Plan for Higher Education?
Harper College has long established policies and procedures for ensuring that the institution is an equal opportunity employer. These include but are not limited to: institutional wide-strategic goals in place to attract and retain underrepresented employees in higher level faculty and administrator roles; regular reviews of all recruiting practices to ensure that there are adequate pipelines for attracting well-qualified African-American candidates; and search committee cultural competency training for hiring managers and employees who serve on search committees. Candidate pool diversity statistics for administrator and faculty search are collected and analyzed to ensure that the percentage of diverse applicants in the total pool remain consistent throughout the interview process. These statistics are reviewed by the Dean, Provost or VP, Special Assistant to the President for Diversity and Inclusion and Chief Human Resources Office.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

Monitor the College’s multi-year plan targeting the recruitment and hiring of African-American faculty and staff. Continue to identify and participate in diversity specific conferences such as NCORE (National Conference on Race and Ethnicity in Higher Education), SHRM Diversity and Inclusion Conference, and other diversity-related conferences. Coordinate recruiting activities to attract African-American applicants. Continue to mandate training classes for all faculty search committee members to educate on diversity issues, legal compliance and cultural competency in the hiring process. Continually review and update the College Website to continue to create a more welcoming environment and to encourage individuals from under-represented groups to apply. Continue to maintain and expand the Diverse Faculty Fellow program to increase the number of individuals from underrepresented groups who become employees.

Does your institution implement employment incentives to attract African American employees such as any of the following (please select all that apply):

- Mentorship of a new African American Faculty

- No

How is your institution ensuring that all appropriate staff is complying with the mandatory Hiring and Promotion Monitor requirements? Does your institution conduct internal studies or have surveys for monitoring the recruitment of African American employees, and have committees that monitor employment or departure of employees from the institution?

Policies and procedures to ensure the College is an equal opportunity employer; review of recruiting practices to ensure adequate pipelines for attracting well-qualified African-American candidates and to ensure compliance with
Federal and State laws.

This section of the survey will list specific initiatives and focus on what your institution has undertaken to further comply with the State of Illinois African American Employment Plan.

Please describe any strategies that your institution is developing to meet the increasing numbers and need of African American students and public that may want access to your institution.

Many strategies have been put in place to not only reduce achievement gaps for specific populations, but also to raise achievement levels of all students. Those initiatives include closer curriculum alignment work with our district high schools, multiple measures for placement, developmental education reform, creation of a first year seminar course, and a new case management academic advising approach. With our new case management advising model, all new degree-seeking students are assigned an advisor upon entry who stays with that student until completion. The advisor helps the student to develop a semester-by-semester academic plan to meet intended goals and serves as a point person to guide the student through their Harper experience. Within this case management advising model, we are attending to our African American students in a few ways: a) we have hired African American advisors, b) advisors are able to sort their caseloads by race/ethnicity so they can identify these students and provide more intrusive assistance, if needed, and c) our new, credential-seeking African American students are included in our Early Alert system. Via Early Alert, faculty members can share notes of concern and/or kudos about a student’s progress in class. Those notes go to the student and the assigned advisor so that the three may work as a team to promote the student’s success. The College provides programs such as Summer Scholars, One Million Degrees and the Women’s Program which are targeted at assisting populations of traditionally underrepresented students. Each program provides additional supports and financial assistance to students participating in those programs. The College has emergency funds available to all students, as well as Hawks Care resources - free food, school supplies, and lunch/grocery/gas cards. Lastly, African American students have the opportunity to engage as an affinity group through our Black Student Union, a recognized student organization on campus.

HCC has comprehensive student support services in place to assist all students in overcoming academic and personal barriers. The College has recently launched a Diversity and Inclusivity Task Team consisting of College employees and students in addition to community members. The charge of this task team is to review all College policies and practices related to diversity, inclusivity, and equity over the 2019 calendar year in order to identify opportunities for improvement. During this first phase of the project, the team will focus on assessing how well the College is serving and leveraging the talents of people of color.

We allocate budget resources for recruitment of a diverse applicant pool, but don't allocate specific amounts for distinct underrepresented populations.

This section of the survey will list all activities your institution has undertaken that would help in the implementation of the State of Illinois African American Employment Plan for Higher Education.

What steps has your institution undertaken to ensure that Human Resource staff, responsible for hiring, interviewing, recruitment and Equal Employment Opportunity (EEO) are complying with legislative mandates for the African American Employment Plan for Higher Education?

HR staff are trained on comprehensive search and hiring guidelines within state and federal mandates and Highland's
Affirmative Action Plan. Highland collects and analyzes employment data for each search. In addition, HR staff review all applicants that are received for open positions to ensure that candidates are not eliminated from the search by the search committee for reasons other than not meeting the qualifications of the position, application deadline or following application criteria.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

Highland is aware of its obligation to have a diverse workforce and to actively increase the number of underrepresented individuals at all levels of the College. We continue to try different recruitment venues and sources to reach a more diverse candidate pool. Local newspapers that offer inclusion of job postings at such sites as Zip Recruiter and Indeed, at no additional charge, has also allowed a greater number of applicants to see our postings. Following the conclusion of a search, information from applicants, particularly those from underrepresented groups, is reviewed to determine how they found out about the open position. That data is used to determine where future job openings are posted. Also, Highland recently became a member of an Employer Summit group, which is made up of local organizations in the Freeport area. The purpose of the group is to share recruitment resources in order to reach a broader applicant base that we may not otherwise have access to, such as job fairs and diversity fairs.

How is your institution ensuring that all appropriate staff is complying with the mandatory Hiring and Promotion Monitor requirements? Does your institution conduct internal studies or have surveys for monitoring the recruitment of African American employees, and have committees that monitor employment or departure of employees from the institution?

A representative from the Equal Opportunity Employment/Affirmative Action (EOE/AA) committee is assigned to each search committee to participate in the review, interview and selection of candidates for all regular part-time and full-time positions. Prior to being involved in a search, each EOE/AA committee member participates in training that includes discrimination law and other applicable regulations, the search process and unconscious bias. All search committee members also receive training. Surveys are sent out to search committee members (including chairs and EOE/AA members) to gather feedback on their search committee experience. Questions differ based on the the member role. Topics include whether additional search committee training is needed, if inappropriate questions were
asked of the applicants, if it was necessary to address any personal concerns by committee members about biases and prejudices, etc.

Through periodic review and reporting of hiring and promotion of staff.

Illinois Central College is committed to the concept and practice of equal opportunity and affirmative action in all aspects of employment. The College maintains an Affirmative Action Plan written on an annual basis to reaffirm Illinois Central College’s continuing commitment to the principles of equal employment opportunity and affirmative action, to increase and ensure the effectiveness of its programs, and to continue to monitor and evaluate the results.

The President, as Chief Executive Officer, has the ultimate responsibility for administration of the College’s Affirmative Action Plan, including periodic audits of equal employment opportunity practices, establishment of special programs to supplement affirmative action activities, and guidance in handling specific problems which may arise. The affirmative action progress is reviewed annually with administrative personnel and Board of Trustees.

Some of these tailored programs and activities are inclusive of an African American Teen Summit, where area high school African American students gather to discuss issues affecting the African-American community while exploring the benefits of higher education. At this annual summit, workshops held explore such topics as the Black achievement gap, what is grit, cultural appropriations, and the pertinence of black history in America etc. The Office of Multicultural Student Affairs also conducts presentations in high schools, community-based organizations, and churches within District 525 that have high numbers of African-American students to encourage college access and persistence. OMSA also runs a minority male mentoring initiative entitled, Brother2Brother, where minority males come together in support of one another academically and socially while being mentored by African-American staff and faculty members. Additionally, JJC coordinates scholarship and financial aid workshops to prospective and current minority students. JJC also provides forums for diverse students to voice their concerns as it relates to being a member of a diverse group. Examples include campus-wide diversity dialogs and Multicultural Student Caucuses where underrepresented students consult with one another and discuss current campus climate issues to improve the greater campus community.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

What steps has your institution undertaken to ensure that Human Resource staff, responsible for hiring, interviewing, recruitment and Equal Employment Opportunity (EEO) are complying with legislative mandates for the African American Employment Plan for Higher Education?

Hiring for regular full time and part-time positions is done by diverse search committees with training by the HR Office. Professional growth and development training covers diversity issues.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

While we are a rural college and do still have a need to advertise in local newspapers the College has expanded
recruiting to expand our candidate pool and be more effective with diversity hiring. As newspaper readership has declined and minority candidates utilize newspapers less than Caucasian readers, the College has utilized other resources such as using Indeed.com, posting vacancies on the College web site, on bulletin boards at the college and distributing to community partners. Additional, this fiscal year the College is starting to utilize the Illinois Job Network. This resource is a widely used resource for unemployed Illinois job seekers. Unemployment is highest with diverse candidates so this should further enhance our diversity recruiting efforts.

The College continues to utilize PeopleAdmin, a computer generated software program designed for Higher...
Education that encourages self-identification of all applications regarding race. Additionally, the College has an HR Recruiting Specialist, whose primary focus is to seek efficiencies in the employment process, including but not limited to seeking to enhance diversity. The Specialist reviews the minority representation of applicant pools and carefully reviews the credentials of all the African American applicants who meet the minimum requirements of the position for which the prospective employee applied. All such applicants are specifically defined as minority applicants for the viewing of all hiring committee members prior to the interview process. Qualified and reviewed minority applicants are all referred to hiring committee chairs by the Recruitment Specialist when appropriate.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

The College continues to focus on increasing representation of African American employees in all employment categories. All of the College’s job openings are posted via PeopleAdmin; this links all of our postings to Indeed, Monster, and the St. Louis Post-Dispatch so that we not only casting a regional, bi-state net, but in some cases we are also casting a nationwide net for certain positions on campus. Our Human Resource Recruitment Specialist notifies the hiring committee chairperson of all qualified applicants and further details any applicants who self-identify as African American. These applicants’ resumes are carefully considered by the search committee. Inclusion is a very high value among campus faculty, staff and students as evidenced by the results of the recent survey on diversity and inclusion which indicates that over 94% of respondents describe the L&C campus as very inclusive.

Does your institution implement employment incentives to attract African American employees such as any of the following (please select all that apply):

- None / Not applicable
- The College does not currently have any specific incentive-driven programs to attract African-American employees outside of the recruitment efforts of our Specialist dedicated to enhancing a diverse workforce.

The HR Recruitment Specialist reviews all open postings. She then assesses all minority applicants who meet minimum requirements of the position and makes recommendations for interview to the HR Dir and or hiring committee chairs when appropriate.

In communicating with ICCB directly in Feb 2018, the College explained that Public Act 096-1286 appears to only apply to State Exec Agencies and excludes state colleges(Section 2520.710). ICCB responded that it would examine “refining the survey language to more broadly asking about hiring and promotion” rather than the “Hiring and Promotion Requirement.”

Concerning general hiring practices and trends, 20% of the College’s new full-time hires in CY 2018 were African-American...
American candidates. This represents a significant increase over previous years and more than doubles the current full-time percentage of African-American full-time employees on campus. Further, in April 2018, the IL Community College Board approached Lewis & Clark Community College about the College’s interest in working with the East St. Louis (ESL) Higher Education Center. Now serving as the primary community college provider on the ESL campus, Lewis & Clark works with Southern IL University-Edwardsville(SIUE) and Southwestern IL College(SWIC) to deliver effective programming to the predominantly African-American community and surrounding areas. The historic programs provided by SIUE and SWIC were to remain as Lewis & Clark responded to labor market needs and requests from the community. In May, the College began teaching networking courses under the ICCB grant. In the fall semester, 3 Early Childhood courses were taught and in March 2019, the Medical Assisting program will offer a Certificate of Proficiency. The College made it a priority to attract top-quality candidates to manage operations and programming at the ESL Higher Education Center and have since been able to secure African-American candidates in both management positions, Dir and Asst Dir.

Please describe any strategies that your institution is developing to meet the increasing numbers and need of African American students and public that may want access to your institution.

Since 2010, Lewis & Clark (L&C) has pursued initiatives related to an ongoing institutional goal to increase access, retention and completion of African-American students.

Complete College America Initiative for Non-College Ready, African-American Math Students.

Complete College America (CCA) defines the purpose of co-requisite remediation as “Increasing gateway course completion within the first year by enrolling entering students into the college-level math and English courses, providing those who need additional help with a concurrent course or lab that offers just-in-time academic support.”

In August of 2017, L&C began enrolling students who otherwise would have been placed in a developmental math course, into a college-level math course with a built-in corequisite support course. A total of 42 African-American students enrolled in CCA sections of Technical Math 1 (MATH 125), College Algebra (MATH 131), Elementary Mathematics Modeling (MATH 137), and General Education Statistics (MATH 145) in academic year 2018, with 57.1% (n=24) receiving a grade of A, B, or C for both fall and spring semesters.

When factoring the need under the previous developmental math sequence of one to three developmental math courses before enrolling in a college-level math course, it is estimated that only 20 of these 42 African-American students would have completed a college-level math course in academic year 2018. The 24 African-American students completing a CCA math course represent an estimated 20% increase in college-level math completion for African-American students.

Targeted Student Support Service Outreach to African-American Male Students.

The purpose of this initiative that began in January 2018 is to proactively identify and engage student cohorts that have lower retention rates than the average retention rate for all degree-seeking students at Lewis & Clark. L&C identified African-American males – who have historically low retention rates at L&C - for academic support outreach.

Targeted outreach to African-American males has taken place over the past year. These efforts have included increased marketing of tutoring services through student clubs and activities, athletic teams, and social media messaging. Fall to Spring Retention for African-American Males – 2013 was 69% and in 2017 it was 74.3%

LLCC in partnership with the Greater Springfield Chamber of commerce has an Open Door Mentorship Program. The intent of the program is to invest in the education of African-American males. Participants are presented
opportunities to become academically successful at LLCC while on and off campus. The Open Door Mentorship program provides targeted academic, career, and cultural support to men of color enrolled at LLCC. That support includes the development of an individualized Academic Success Plan, academic check-ins, academic support (advising, tutoring, and study skills workshops), assistance in applying for financial aid and scholarships, leadership development seminars, and career exploration.

Please describe any strategies that your institution is developing to meet the increasing numbers and need of African American students and public that may want access to your institution.

The college's commitment to meeting the needs of all of its students is reflected in its board policies and mission statement. MC’s student recruitment efforts extend to all district high schools and some Chicago area schools with diverse populations.

To meet the needs of all students, and specifically the needs of first-generation and minority students, Morton College has developed first year programming, assigned academic advisors to first year students, and improved New Student Orientation. Additionally, in 2018, Morton College joined the Illinois Equity in Attainment Initiative (ILEA). Led by the efforts of the Partnership for College Completion, ILEA is comprised of 25 two-year and four-year colleges and universities from around the state of Illinois who are together committing to close the degree achievement gaps for students of color, first generation college goers, and low-income students. In order to meet the state goal of 60% of Illinois residents with an earned degree by 2025, issues of equity in degree attainment must be addressed. The ILEA Initiative has set a goal to close these gaps in line with this larger 2025 goal. Joining the initiative will allow the college to explore the needs of our students and remove barriers to completion and attainment.

This section of the survey will list all activities your institution has undertaken that would help in the implementation of the State of Illinois African American Employment Plan for Higher Education.

What steps has your institution undertaken to ensure that Human Resource staff, responsible for hiring, interviewing, recruitment and Equal Employment Opportunity (EEO) are complying with legislative mandates for the African American Employment Plan for Higher Education?
The College is not subject to the legislative mandate of the Plan. However, the College's Affirmative Action Plan sets goals and activities for employment of underrepresented groups including African Americans. Steps undertaken, as described in Oakton's current Affirmative Action Plan, would entail:
- Maintain a deliberate and continuous effort in complying with the College's Equal Opportunity/Affirmative Action Program.
- Provide training and professional development activities to encourage the review/establishment of policies and processes to support the creation of a positive culture for recruiting and retaining African American administrators, faculty and staff.
- The College will continue to conduct national and regional searches as a means to fill all administrative and full-time faculty openings.
- The College will advertise in media targeted to African Americans.
- All positions will be listed with the Illinois Job Service.
- Continue receiving the Directory of Graduates from the Illinois Board of Higher Education as part of the Diversifying Higher Education Faculty in Illinois initiative. Continue sending notice of openings to qualified applicants for openings that we have at that time.
- Human Resources professionals will attend affirmative action related seminars and workshops on a regular basis.
- Human Resources has developed and presented a workshop for search committee members on diversity sensitivity and effective interviewing issues. Attendees are certified as able to serve on search committees.
- Designated HR staff will continue to meet with all search committees prior to applicant review to ensure compliance with all Equal Employment Opportunity laws and address Affirmative Action issues.
- Applicant flow and selection data will continue to be reviewed and areas of concern will be discussed with the appropriate Vice President.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

Conduct broad, wide, and deep searches for African American applicants.
- Clearly explain the intent of the Affirmative Action Plan and reiterate the commitment to equal employment opportunity and affirmative action with all college administrators.
- Clearly communicate commitments to affirmative action and employment goals to each search committee.
- Monitor the activities and progress of search committees and supervising administrators.
- Maintain a welcoming environment so that individuals from demographic groups other than Caucasian desire employment with the College.

No

How is your institution ensuring that all appropriate staff is complying with the mandatory Hiring and Promotion Monitor requirements? Does your institution conduct internal studies or have surveys for monitoring the recruitment of African American employees, and have committees that monitor employment or departure of employees from the institution?

The College's commitment to affirmative action and equal employment opportunity is stressed to each search committee.
The supervising administrator's charges and directions to each search committee reinforce the College's commitment.

This section of the survey will list specific initiatives and focus on what your institution has undertaken to further comply with the State of Illinois African American Employment Plan.

• We identify specific resources to help reach minority applicants. For example, Women in Agriculture or National Organization for Black Chemists and Chemical Engineers.
• We visit local minority-owned businesses such as barbershops, beauty salons, and restaurants, as well as community places such as Don Moyer Boys and Girls Club. We introduce ourselves and answer any questions about working at Parkland and drop off job vacancy postings that the business/community organization can post and share with patrons.
• For full-time faculty recruitment this year, we started a new role of Recruitment Partner. This person will perform comprehensive research to identify people and resources for us to reach out to and inform about our faculty
opportunities. For example, we plan to email faculty of related graduate programs at Historically Black Colleges and Universities.

- Last year, VP Lau organized a working group to review and update faculty diversity efforts.
- We partner with several job boards that offer us a “diversity profile” in which we are highlighted to diverse candidates. One example of this is Inside Higher Ed. Here is our profile: https://www.insidehighered.com/college/147916/parkland-college.
- We implement an Equal Employment Opportunity Program where we train various employees to serve as Equal Employment Opportunities representatives on every full-time search. The EEO Rep’s role is to help make sure that search committees are following policies and procedures, are in compliance with local, state, and federal EEO/Human Rights laws, and a liaison with Human Resources Talent Management Team. Overall, they help to make sure we have a fair and non-discriminatory process.

What steps has your institution undertaken to ensure that Human Resource staff, responsible for hiring, interviewing, recruitment and Equal Employment Opportunity (EEO) are complying with legislative mandates for the African American Employment Plan for Higher Education?

Search committees are formed at the College to assist with the recruiting efforts, and to review and select
employment candidates. All search committee members participate in Diversity in Hiring in training before serving on a College Search Committee. All search committees include a pre-meeting with a Human Resources representative to go over procedural matters and a review and reinforcement of the College's commitment to diversity, and the committee's role in supporting this objective.

Employment candidates for temporary full or part-time positions are reviewed and selected by the immediate supervisor for the position. All supervisors also participate in the College's Diversity in Hiring training. In addition, the College has offered a number of training opportunities to all employees on diversity in hiring, micro-aggressions, and cultural bias in the hiring process.

Please provide recommendations for increasing the number of African American teaching/administrative staff at your institution.

Employment opportunities are posted internally. Using the College website, job opportunities are made available to all College employees and students; including minority, protected class, and members of potentially under-represented groups. The opportunity for career options communications and discussions for all employees is built into the College's Performance Evaluation processes. Career development opportunities made available to employees include Richland Foundation funds for conferences and seminars to support career development, and ongoing professional development opportunities internally through training opportunities throughout the year.

External recruitment efforts routinely include advertising through the local branch of NAACP. Depending on the employment opportunity, other outreach efforts might include the HigherEd.com Affirmative Action Diversity supplement, MinorityNurse.com, MinorityNetwork.com, and illinoisdiversity.com.

To optimize the selection process, all search committees will typically include at least one minority representative to assist with recruiting ideas and help maintain fair consideration standards. Job announcement communications include our statements regarding the College's commitment to diversity, an affirmative invitation directed to members of potentially under-represented groups, and a non-discrimination statement.

SSC is primarily a minority serving institution. Back in 2014, the SSC Board of Trustees approved a Five Year (2014-2019) Strategic Plan to focus on supporting student success. Three areas emerged: 1) Increasing students’ readiness to undertake college-level work; 2) Improving completion rates; and 3) Closing skill gaps; aligning graduates’ learning and credentials with industry and occupational demand. To address these demands, the Plan identified four Strategic Directions: 1) College Readiness; 2) Student Success and Completion; 3) Educations Pathways; and 4) Partnership Development. The College is also a participant in the Higher Learning Commission’s (HLC) Persistence and Completion Academy. Driven by the goals of our Strategic Plan and participation in the HLC...
Persistence and Completion, the College has initiated a number of projects to improve the persistence and completion rates of students in developmental courses. In October 2016, the College received a Federal Grant from the DOE to support a project titled BLAST II. The project is designed to increase African-American male persistence at the college and to increase their success in college courses and retention from semester-to-semester, ultimately leading to degree and certificate completion. During the 2017-2018 year, PBI tutor criteria was established to provide academic support that is showing promising results due to its peer-to-peer model. Several ongoing initiatives have also begun including, but not limited to, the establishment of a Reading Center and the reconfiguration of English Composition and Writer’s Workshop classrooms. SSC’s Administration, Faculty, and Staff have strong ties to the local community to recruit African American students and employees through open communications with city and community leaders. South Suburban College also partners with local K-12 school districts to ensure that students receive the preparation and support necessary to excel at the College level. All of these efforts have been developed to meet the needs of all of our students, but particularly, the needs of our African American Students.
