Introduction

The Illinois Community College Board provided $3.3 million to community colleges during fiscal year 2010 to provide workforce and economic development services through their Business and Industry Centers. The workforce development activities conducted under this grant include:

- Customized job training on campus or on-site at a business
- Assisting entrepreneurs in business start-up
- Providing counseling and management assistance to small and medium sized business owners
- Helping businesses with government procurement opportunities
- Offering professional continuing education
- Developing training programs for unemployed and underemployed workers
- Serving businesses with alternative education modalities, such as distance learning

The grant funds allow colleges to help companies grow by providing economic development assistance at costs they can afford and by providing needed technical and English language training for upgrading workers’ skills.
