

ILLINOIS COMMUNITY COLLEGE BOARD

Student Advisory Committee FY 2021

The Illinois Community College Board is requesting the participation of the college's student trustee for the FY20 Student Advisory Committee (SAC). Participation is requested and not a required activity by the student trustee. To participate **please complete this form and return by August 23rd TO: studentservices@iccb.state.il.us**

The mission of the ICCB Student Advisory Committee shall be to serve the community college students of the state. The committee shall dedicate itself to representing those students by reviewing ICCB policies, advising the Board on such policies, selecting the ICCB Student Board Member, and informing all parties involved of system-wide issues that impact the Illinois community college system. Finally, the Student Trustee will be responsible for meeting with the Student Advisory Committee (SAC) and reporting back to their local campuses on the activities of the Board as appropriate in light of considerations of confidentiality.

Each member of the Student Advisory Committee shall be the nonvoting student member of the local district board of trustees. In the case of multi college districts, the student trustee of the district shall automatically be designated as the voting member for the individual college where he or she attends. If the student member of the local district board of trustees cannot serve, and for colleges that are part of a multi college district not represented by the district's student member, the district's president or chief executive officer may designate a student as a voting member. ***No community college shall have more than one voting member per college. Participation from multi-district colleges is limited to the SGA president of each college.***

After conversations with ICCB leadership we have collectively decided that SAC this year will be done virtual instead of in-person meetings this year. Key considerations in this decision were the health and safety of students and ICCB members in addition to the travel restrictions and other unknowns unfolding at each institution this fall. **However, like everything this is subject to change.**

Traditionally, SAC has a fall, winter and spring meeting. The fall and winter meetings will focus on leadership and equity, while the spring meeting will focus on legislative issues and identifying the future student board member for the Illinois Community College Board.

Meeting Dates:

- September-TBA
- January- TBA
- March- TBA
