In order to complete the application, please provide a general description of the program, project, or use for which grant funding is requested and other documents as necessary to show the general character of the project proposed with this application. Application requires a one-page (or less) abstract. Cost estimates in a budget of proposed expenditures are also required. These additional details may be provided on other forms prescribed by the Board. A complete application consists of the application, project plan, including abstract, and budget. If approved, a written grant agreement will be proposed by the Board.

* Public Act 102-0626 exempts certain state funded grants awarded to public institutions of higher education from the Grant Accountability and Transparency Act.
