

ILLINOIS COMMUNITY COLLEGE SYSTEM

EXCEPTIONAL QUALITY

- 🎓 **Graduates with an Associate Degree** (i.e., Transfer Degrees to a four-year institution) **have an employment rate of 85%** after five years and this increases to 92% ten years after graduation.
- 🎓 **More than 84% of students who earn Long-Term Certificates or an Associate in Applied Science** are employed in their chosen career field within a year of graduation.
- 🎓 **Earning an Associate of Applied Science or long-term certificate from an Illinois community college adds more than \$600,000 in lifetime earnings.**
- 🎓 **The total economic output of Illinois community colleges** on the statewide economy in fiscal year 2020 **is estimated at \$3.5 billion and 43,316 jobs.**

AFFORDABLE INSTRUCTION

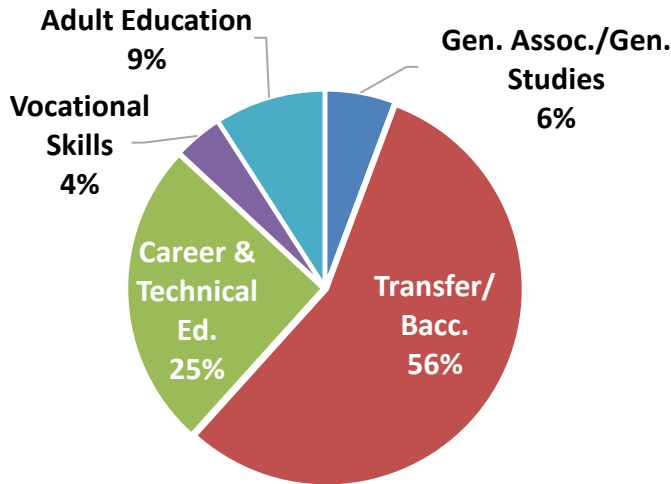

- 🎓 **The average full-time Illinois community college student pays \$4,604 per year in tuition and fees; nearly 70% less** than the average tuition and fees at Illinois public universities.
- 🎓 **Community colleges saw 21.3% growth in students aged 16 and under** in FY 2022 compared to the previous year. College costs can be reduced, and students are able to gain access to college-level coursework during high school through dual credit.
- 🎓 **Over 55 percent of credit bearing enrollments** in Illinois Community Colleges were in instructional programs designed for transfer to 4-year colleges and universities.

ACCESS FOR ALL

- 🎓 **The Illinois Community College System is the third largest in the nation** with 48 community colleges and 39 college districts in Illinois.
- 🎓 **Illinois community colleges serve nearly 504,000 students** each year.
- 🎓 **The “typical” community college student is a 26-year-old female enrolled part-time.**
- 🎓 **More than 48% of all credit-bearing community college attendees were minorities, and over 15,000 students with disabilities and over 17,000 students with limited English proficiency** are served each year.
