

Your Journey through One Click College Admit

With One Click College Admit, transfer students can apply to 10 Illinois public universities with no application fees, essays, or letters of recommendation.

Phase 1: Start Your Journey

Opt In to Your Future

Opt in to Direct Admissions through OneClickAdmit.org or your on campus opt-in process.

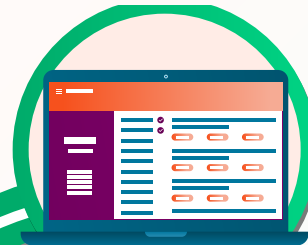

Phase 2: The Invite

Receive Your Offers

Students with 30 transferable credit hours will be informed which colleges they have been accepted to based on their GPA.

Focus on graduating!

Getting an associate degree puts you in the best position to succeed!

Phase 3: Consider Your Options

Engage and Learn

Each school will provide a link with key information about the university, its programs, and the enrollment process.

Follow the Guidance

Be aware of scholarship deadlines and speak to your community college advisor about what school will be the best fit.

Phase 4: Begin Your Next Chapter

Finalize and Enroll

Select the school that works best for you and move forward with the full enrollment process.
