Purpose

This Notice of Funding Opportunity (NOFO) is intended to solicit a FY26 Renewal Proposal from eligible (returning) programs (CFR 463.23) that work to achieve the purpose of Section 243, Integrated English Literacy and Civics Education, of Title II of the Workforce Innovation and Opportunity Act (WIOA) of 2014. This funding is designed to provide adult education and literacy services to:

- English Language Learners who are adults, including professionals with degrees and credentials in their native countries, that enables such adults to achieve competency in the English language and acquire the basic and more advanced skills needed to function effectively as parents, workers, and citizens in the United States.
- Prepare adults who are English Language Learners for, and place such adults in, unsubsidized employment in in-demand industries and occupations that lead to economic self-sufficiency.
- Integrate with the local workforce development system and its functions to carry out the activities of the program.

The Components of an IELCE program include:

- Literacy/English Language Acquisition Instruction
- Civics Education
- Workforce Preparation
- Access to Integrated Education and Training / Integrated Career & Academic Preparation System (ICAPS)

This Renewal Proposal will speak to how these four components overlap in ways that promote self-sufficiency and community integration for students.

Note: This opportunity will provide Federal IELCE funding for state Fiscal year 2026 and provides funding to carry out the expectations of IELCE – WIOA Section 243. Required deliverables, allowable activities, performance measures, and requirements for submitting a Renewal Proposal are described throughout this NOFO. All funding is based on Federal appropriations.

Years 3, and 4 of IELCE funding are contingent on successfully meeting all required programmatic requirements.

ELIGIBLE APPLICANT INFORMATION

Per CFR §463.23, to be considered for funding under this Renewal Proposal, an applicant must have been selected as an IELCE grantee in the first year of this four-year grant. New applicants or Requests for Proposals will not be accepted.

Eligible applicants may submit Renewal Proposals as single entities, consortiums, or lead agencies with subgrantees. A consortium refers to a collaborative partnership between multiple educational institutions or organizations. Consortia members collaborate to enhance and expand adult education services to eligible and targeted populations through sharing resources, expertise, and best practices to better address the diverse needs of adult learners in the applicant's designated Area Planning Council. All consortium and subrecipients must be eligible for IELCE funding as identified above.

Each consortium partner is responsible to address all the core components of the IELCE programming. Consortiums and entities who subgrants IELCE funds to additional agencies, will ensure:

- A lead agency provides subawards to subrecipients to carry out programmatic purposes. The lead agency acts as a pass-through entity.
- The lead agency may not subcontract nor issue a subaward for any portion of this grant without prior approval of the Illinois Community College Board. This is satisfied with the subrecipient being identified in the Grant Narrative, the Uniform Budget, and Consortium / Subgrantee Signature Page. (2 CFR 25.300).
- The lead agency must notify all consortium partners or subrecipients of the applicable laws and regulations by providing all stakeholders with the IELCE Grant Agreement. The terms of the Agreement apply to all subawards authorized in the agreement (CFR § 200.101(b)(2)).
- The lead agency is the coordinating entity and is responsible for overseeing the implementation of all grant deliverables and ensuring compliance with all fiscal and programmatic regulations, deliverables, and reporting requirements.
- Subrecipients are accountable for executing their assigned tasks within the parameters set by the lead agency and must provide the lead agency their Unique Entity Identifier.

ELIGIBLE SERVICES AND ALLOWABLE ACTIVITIES

Adult Education means academic instruction and education services below the postsecondary level that increases an individual's ability to:

- read, write, and speak in English and perform mathematics or other activities necessary for the attainment of a secondary school diploma or its recognized equivalent;
- transition to postsecondary education and training; and
- obtain employment.

No more than five percent (5%) of the total amount awarded to grantees can be used by the grantee shall be used for administrative and non-instructional purposes. 34 CFR §463.26 allows:

- An eligible provider receiving a grant or contract under this part may consider costs incurred in connection with the following activities to be administrative costs:
 - Planning;
 - Administration, including carrying out performance accountability requirements; Professional development;
 - Providing adult education and literacy services in alignment with local workforce plans, including promoting co-enrollment in programs and activities under title I, as appropriate; and
 - Carrying out the one-stop partner responsibilities described in (CFR) §678.420, including contributing to the infrastructure costs of the one-stop delivery system;
 - Sub-recipients may request an administrative costs waiver—subject to DWD approval—if this restriction prevents the sub-recipient from adequately providing for the administration of its program.

29 USC 3331. SEC. 241. ADMINISTRATIVE PROVISIONS. (a) SUPPLEMENT NOT SUPPLANT. Funds made available for adult education and literacy activities under this title shall supplement and not supplant other State or local public funds expended for adult education and literacy activities.

To accomplish all four elements of an Integrated English Literacy and Civics Education program, grantees must continue to provide the following services and activities:

BRIDGE AND ICAPS PROGRAMMING

A key strategy to address the needs of adult learners and meet performance accountability indicators of WIOA, are Bridge and ICAPS (Integrated Career and Academic Preparation System) programming (CFR §463.35) which are required offerings for all IELCE funded programs. (Illinois Policy). This strategic decision is grounded in the understanding that these programs play a crucial role in enhancing participants academic, career readiness, and credential attainment. To ensure accountability and assess the effectiveness of these initiatives, all programs must offer, with enrolled eligible adult learners, Bridge and ICAPS programming throughout the academic year. (Illinois Policy)

PERFORMANCE

Federal law requires that states demonstrate continuous improvement in achievement of the outcomes negotiated. (CFR §463.35) Applicants will be required to meet and/or exceed all targets as set by the ICCB, according to Federal National Reporting Systems (NRS) guidelines. These indicators of performance are listed below. Eligible applicants funded will be required to use data to improve program service and delivery.

The ICCB will determine professional development and program needs for programs failing to meet the guidelines determined by the ICCB. All Programmatic Watch and Probation guidelines are outlined in the Adult Education Provider Manual. The following primary indicators of performance are required under the Workforce Innovation and Opportunities Act (WIOA) and CFR §463.170. The negotiated targets shown are for Fiscal Year 2026.

STATE OF ILLINOIS UNIFIED PLAN

Under the federal Workforce Innovation and Opportunity Act (WIOA), the State of Illinois is required to submit a Unified Plan that is a partnership of core partners including, Title I and III through the Department of Labor, and Title II and IV through the Department of Education. The Illinois Community College Board (ICCB) supports the vision and state goals in the State of Illinois Unified State Plan Draft and is seeking eligible adult education providers that will fulfill the requirements of the WIOA as outlined in the State Unified Plan which includes –Title II: Adult Education. Information on the Unified State Plan can be found here: WIOA Resources WIOA 2020 - 2024 Workforce Development Strategic Plan. (illinoisworknet.com)

BUDGET AND FINANCE

WIOA requires the Secretary of Education to reserve 12 percent of the AEFLA appropriation available for grants to carry out the IELCE program under Section 243. Federal funds may be used to serve eligible participants in the target population as described in the ICCB Adult Education Provider Manual. It is expected that providers will use a variety of resources to provide Integrated English Language and Civics Education instructional and support services.

Per Section 243 of WIOA

- Implement contextualized Career Pathways and Industry-focused curricula that are aligned with industries and occupations using labor market information targeted at the state and regional levels while responding to the needs of local employers.
- Not less than 95 percent shall be expended for carrying out adult education and literacy activities.
- The remaining amount, not to exceed 5 percent, shall be used for planning, administration
- (including carrying out the requirements of section 116), professional development, and the activities described in paragraphs (3) and (5) of section 232.

Funding each year is contingent upon availability of funds, demonstrated effectiveness in serving the target population, and ability to meet the grant requirements. Existing instructional and/or support activities may not be duplicated pursuant to Section 241(a) of WIOA in reference to supplement, not supplant services.

The funding formula for the IELCE grant is a combination of a base allocation, student enrollment (3-year average), and attendance hours (3-year average).

- Base allocation is calculated by a percentage of the total allocation divided equally among all funded providers.
- Student enrollment is a cost per student times the program's 3-year average.
- Attendance hours is a cost per attendance hours times programs 3-year average.

Programs lacking 3-years of data, will be funded using the data available, at the discretion of ICCB.

AWARD ADMINISTRATION, MONITORING AND DATA INFORMATION

All programs will be reviewed either on-site or by desk review to ensure compliance with federal, state, and ICCB policies, regulations, and procedures. Each grantee must complete a risk assessment through the State of Illinois Grant Accountability and Transparency Act (GATA) portal. This assessment will determine risk condition as outline in GATA. The GATA requirements are posted at <https://gata.illinois.gov/>.

Programs are expected to meet all performance targets as established by the ICCB. Programs will be closely monitored in order to assist struggling programs to improve National Reporting System performance at both the program and state level.

When examining program performance, it is expected that, at a minimum, programs will meet the state targets for level completion rates for Education Functioning Levels. The ICCB will specifically look at the number of NRS reportable students and, of that number, the overall percentage of students obtaining a level gain as determined by post-testing conducted within test publisher guidelines.

Each funded provider will be expected to meet all performance outcomes and activities performed under this grant. The State Management and Information System Data will be used by all Illinois Adult Education and Literacy providers through the duration of this grant cycle. Student data is to be entered

in the State MIS on a monthly basis and used to complete the required reporting outlined in the Adult Education Provider Manual.

All funded programs will submit all required reports as indicated in the ICCB AEL Provider Manual.

STATEWIDE INFORMATION MEETINGS

An optional informational meeting will be held via web conferencing. **Registration for the webinar is not required.** It is **not** mandatory that an eligible program attend an informational meeting, but it is highly encouraged. The informational meetings will begin and end promptly at the times designated below. An opportunity for questions will be provided.

In the case of unexpected problems, visit the ICCB website for cancellations and/or rescheduled sessions.
