Developmental Education Reform Act (DERA) Dashboard Updated

As part of ongoing requirements to meet Developmental Education Reform Act (110 ILCS 175/100), ICCB has refreshed Developmental Education Dashboard with more recent data. The dashboard contains summary data for developmental education participants from fiscal years 2020 through 2025.

ICCB has also provided three student-level files for each college containing the data used to update the dashboard via the FTP site.

These data were shared to assist colleges in completing the 2026 Developmental Education Reform Act Report, which is due by 11:59 PM on December 30, 2026 via Jotform. Please contact Deana Schenk, Senior Director for Student Success at ICCB, with any questions.

Updated outcomes:

- Fall 2022 Year 3 (graduation and advancement)
- Fall 2023 Year 2 (completed in year 1 or 2, hours in year 2, etc.)
- Fall 2024 Year 1 (credit accumulation, retention, cumulative hours)

Over 1,000 Children Served in CCIL Childcare Centers

In FY 2026, 23 community colleges operated child-care centers on campus. These childcare centers served over 1,000 students in the Fall and Spring semesters. In each semester, roughly 30% of the children served were the children of community colleges students.

For more information, see the FY 2026 Child Care Centers and Early Learning Centers at Illinois Community Colleges and Children Served by College Report.

CC Licensure Pass Rates between 80-95%

In FY 2025, community college students passed Registered Nursing (RN), Dental Hygienist, Radiology Tech, and EMT licensure exams between 80-95% of the time. The highest pass rate (95.6%) was for the Dental Hygienist exam. The Registered Nursing (RN) exam saw the highest number of passers, with 1,893 students passing the exam.

For a breakdown of pass rates by college, see the FY 2025 Licensure Pass Rates Report.

IPEDS 2026-2027 Cycle Now Open

The 2026-2027 Integrated Postsecondary Education Data System (IPEDS) data collection cycle opened August 19, 2026, and the Fall Surveys opened September 16, 2026. All Fall Surveys must be locked by the Institution and State Keyholders prior to the October 28, 2026 deadline. The Winter and Spring Surveys open December 9, 2026. ICCB plans to upload data on behalf of the colleges for the following surveys in mid-to-late December: Graduation Rates at 150%, Graduation Rates at 200%, Outcome Measures, Fall Enrollment, and Human Resources. Please ensure data submissions are finalized in a timely manner to allow ICCB to upload survey data.
